1. Questions and Answers About the Technology Innovation Program (TIP)	1
A. General Information	1
1. What is TIP?	1
2. How can I receive funding?	1
3. What are areas of critical national need?	1
4. Is there a deadline for submitting a TIP proposal?	1
5. What information is required on a TIP proposal?	1
6. Does TIP accept unsolicited proposals?	1
7. How are proposals submitted?	2
8. Where do I submit proposals?	2
9. Will confidential/proprietary information in my proposal be protected?	2
10. Does TIP hold any public meetings or conferences to assist in proposal preparation?	2
11. Where can I seek additional help with proposals preparation?	2
12. Whom do I contact if I have questions?	3
B. Eligibility	4
1. Who is eligible to apply?	4
2. What is “substantial involvement in a project” under a joint venture?	4
3. May institutions of higher education, national laboratories, governmental laboratories (not including NIST), and nonprofit research institutes participate as contractors to a single company or to a joint venture?	5
4. May a large-sized company participate?	5
5. May a foreign-owned company participate and receive TIP funding?	5
6. Is a foreign-eligibility finding required for foreign contractors?	6
7. May a foreign-owned company without a U.S. incorporated subsidiary receive a TIP award?	6
8. Can a company owned or controlled by non-U.S. citizens and without a foreign parent company receive a TIP award?	6
9. Can a Cooperative Research and Development Agreement (CRADA) between a participating organization and an U.S. federal laboratory be part of a TIP project?	6
10. Can an informal collaboration that does not impact the proposed funding or cost-share requirements be used to address a critical task in the project?	7

C. Funding and Cost Sharing	7
1. How much funding can a TIP recipient receive, and is cost sharing required?	7
2. How does TIP define cost sharing?	7
3. What are direct and indirect costs?	8
4. I am a small startup company and do not have any indirect costs. If funded, the TIP project would be the only project for my company. Will TIP fund a proposal that only has direct costs?	8
5. Our small startup company expects to cost share through the use of state or other private investors. If those resources fall through after we receive a TIP award, will we be expected to make up the cost-share gap?	8
6. Can independent research and development (IR&D) funds be used as cost sharing?	8
D. Ineligible projects and ineligible or unallowable costs	9
1. What types of projects are ineligible for TIP funding?	9
2. What types of costs are ineligible or unallowable?	9
3. Can a university employee establish a company and contract back to his/her university?	11
4. Is there a limit to the number of university students that can participate in on a project?	11
5. Can an individual who has a financial or other interest in a company receive a contract from that company?	11
6. Will TIP fund research performed outside the United States?	11
E. Selection process and criteria to select proposals	12
1. How are proposals selected for funding?	12
2. What criteria are used to select proposals for funding?	12
3. What factors could result in a proposal not being competitive?	13
F. Intellectual Property	14
1. Who retains title to patentable inventions arising from a TIP-funded project?	14
2. Does the federal government have any rights to patentable inventions arising from a TIP-funded project?	15

G. Human and Animal Subjects	15
1. Will TIP fund projects involving human subjects and/or live vertebrate animals in research activities?	15
2. Does TIP have any written guidance to help me determine what documentation is required if my project involves human subjects or live vertebrate animals in research activities?	16
3. We are not a biotech company. Could our research involve human subjects?	16
2. Guidelines for preparing the project narrative	17
A. Definitions	17
1. Critical National Need	17
2. High-Risk, High-Reward Research	17
3. Societal Challenge	17
4. Transformational Results	17
B. Executive Summary	17
C. Project Narrative	17
1. Why is TIP Support Necessary?	18
2. Efforts that the Proposer has made to Secure Alternative Funding	18
3. Novelty of the Proposed Research (Technology) results with Respect to Competing Developments	19
4. Scientific and Technical Merit and How the Research may result in Intellectual Property	20
5. What is the Potential for Advancing the State of the Art?	27
6. Transforming the Nation's Capacity to Deal with Major Societal Challenges	28
D. Required Letters (letters are not included in the page limit)	32
1. Letters of Commitment	32
2. Letters of Support	33
3. Letters of Corroboration	33

3. Proposal Submission Requirements Checklist	35
A. Proposal Format	
1. Bindings	35
2. Double-sided copy	35
3. E-mail proposal submissions	35
4. Facsimile (fax) proposal submissions	35
5. Figures, graphs, and images	35
6. Font	35
7. Line spacing	35
8. Margins	35
9. Number of copies if submitting by paper rather than electronically	35
10. Page limit	35
11. Page numbering	36
12. Paper size	36
13. Proposal language	36
14. Table of contents	36
15. Typed document	36
B. Proposal Forms and Other Requirements	36
1. Single Company Only	36
2. Joint Venture Only	36
3. Both Single Company and Joint Venture	37
C. Proposal Assembly/Presentation Order	38
D. Additional Documentation	39
4. Human Subjects Determination Checklist	41
5. General Instructions for Submitting TIP Proposals Electronically via grants.gov	45
Exhibits	49
1. SF-424 (R&R) (2pages), Application for Federal Assistance	51
2. Research and Related Other Project Information	55
3. Form NIST-1022, Technology Innovation Program (TIP) Proposal Information Sheet	57
4. Form NIST-1022A, Other Joint Venture Members	61
5. Form NIST-1022B, Contractors	63

6. Form NIST-1022C, Budget Narrative	65
7. Form NIST-1022D, Third Party In-Kind Contributions	71
8. Form NIST-1022E, Estimated Multi-Year Budget – Single Company	73
9. Form NIST-1022F, Estimated Multi-Year Budget – Joint Venture	75
10. Form NIST-1022G, Foreign-Owned Company Questionnaire	79
11. Form NIST-1022H, R&D Work Performed Outside the United States by the Recipient or Contractor Questionnaire	81
Appendix A – TIP Statute	83
Appendix B – TIP Rule – 15 C.F.R. Part 296	89
